The applicant consents to the latest [Privacy Protection Policy and Statement](#) on the official websites of China Airlines. Personal data (such as name, address, contact information, passport number and passenger flight information, etc.) provided in the power of attorney and accompanying documents, is solely for the purpose of conducting and performing above selected application services by China Airlines. China Airlines undertakes not to disclose the personal data to any third party unrelated to the provided services or transactions. Data subjects are assured the right to exercise legal rights over their personal data, including inquiry, supplementation, correction, and deletion. For the performing above selected application services and necessary business operations, China Airlines will retain data subjects' personal data for a required duration. Once these purposes are no longer applicable, China Airlines will securely destroy the personal data within the designated time frame, using commercially reasonable and technically feasible measures in compliance with relevant laws to prevent recovery duplication.

I have thoroughly read and agree to all the stated terms and conditions.
