Membership Tiers and Premium Benefits

Anyone at two years of age or above is eligible to become a DFP member (referred as "member"). Once you become a member, you earn mileage on every applicable flight with an eligible ticket. Dynasty Members who earn a specific amount of flight mileage or number of trips of scheduled international flights on China Airlines, Mandarin Airlines (including Sung Shan- Kaohsiung domestic v.v. flights) and any SkyTeam coded and operated flights are upgraded as Gold Members, Emerald Members or Paragon Members and receive additional travel benefits.

※ The name on the membership card must be the same as that on the passport.

※ An "eligible ticket" refers to a ticket paid at full-fare price with eligible ticket class and does not include group, discount, infant, labor, free, charter, bartered, or promotional tickets.

When checking in at the airport, presenting your membership card will ensure that your mileage is automatically credited to your account. Finally, please retain your

ticket copy and boarding pass for six months so that in case you have any questions about your earned mileage, we can help you resolve it efficiently.

- ※ When the ticket class and boarding class are different, the flight mileage is calculated based on the lower of the two. China Airlines will calculate and confirm your mileage after departure.
- ※ Mileage must be redeemed within validity under active account and be used in accordance with this program's guidelines. The validity for mileage accumulated in year 2007/2008 will be until December 31, 2011. Effective from January 1, 2012, all mileage accumulated from year 2009 will be bearing a validity of 36 months from travel date.
- ※ Mileage earned by one member may not be combined with another member's.
- ※ Flight mileage is not credited for tickets sold at discounts of 50% or more; nor is it credited for free, infant, group, specified ticket classes, labor, barter, charter, excess baggage, promotional or airline and travel industry discount tickets.
- ※ For any promotional tickets, the promotion's regulations will prevail.
- ※ Flight mileage can only be accumulated one time per flight, regardless the number of seats purchased.
- ※ If, due to natural causes or other causes beyond our control, a China Airlines or Mandarin Airlines flight is cancelled or delayed and members are transferred to other airlines, the flight mileage will not be credited.
- ※ A membership will be automatically terminated without prior notice if no mileage is earned within 3 consecutive years. Mileage under that card number will be cancelled subsequently.
