- 2.1.2 These Conditions also apply to gratuitous and reduced fare carriage except to the extent that CAL has provided otherwise in its Regulations or in the relevant contracts, passes or tickets.
- 2.2 Carriage to/from USA and Canada**
- 2.2.1 Carriage to/from Canada

Except as provided herein, in the event of inconsistency between these Conditions and Carrier's Regulations, these Conditions shall prevail, except where tariffs in force in the United States or Canada apply, in which case the tariffs shall prevail.

Article 3 - TICKETS

3.1 Ticket Prima Facie Evidence of Contract

- 3.1.1 The ticket constitutes prima facie evidence of the contract of carriage between Carrier and the passenger named on the ticket. Carrier will provide carriage only to the passenger holding such ticket, or holding, as proof of payment or part payment, any other document issued by Carrier or its Authorized Agent. The ticket is and remains at all times the property of the issuing Carrier. The Conditions of Contract contained in the ticket are a summary of some of the provisions of these Conditions of Carriage.
- 3.1.2 Requirement for Ticket
Except in the case of an electronic ticket, a person shall not be entitled to be carried on a flight unless that person presents a ticket valid and duly issued in accordance with Carrier's Regulations and containing the flight coupon for that flight and all other unused flight coupons and the passenger coupon. A passenger shall furthermore not be entitled to be carried if the ticket presented is mutilated or if it has been altered otherwise than by Carrier or its authorised Agent. In the case of an electronic ticket, a person shall not be entitled to be carried on a flight unless that person provides positive identification and has a ticket valid and duly issued in accordance with Carrier's Regulations and contained in Carrier's database.
- 3.1.3 Loss, etc. of Ticket
In case of loss or mutilation of a ticket, or part thereof, or non-presentation of a ticket containing the passenger coupon and all unused flight coupons, the issuing Carrier may at the passenger's request and subject to Carrier's Regulations, replace such ticket or part thereof by issuing a new ticket on receipt of proof satisfactory to Carrier that a ticket valid for the flights in question was duly issued.
- 3.1.4 Ticket not Transferable
A ticket is not transferable. If someone other than the person entitled to be carried on a ticket travels pursuant to that ticket or is given a refund in connection therewith, Carrier shall not be liable to the person so entitled if in good faith it provides carriage, or makes a refund. If a ticket is presented by someone other than the person entitled to be carried thereunder or to a refund in connection therewith, Carrier shall not be liable to the person so entitled if in good faith it provides carriage or makes a refund to the person presenting the ticket.

3.2 Period of Validity

A ticket is valid for carriage for one year from the date of commencement of travel or if no portion of the ticket is used, from the date of issue thereof, except as otherwise provided in the ticket, these Conditions or Carrier's Regulations.

3.2.1 Extension of Validity

- 3.2.1.1 If a passenger is prevented from traveling within the period of validity of the ticket because CAL:
- (a).cancels the flight on which the passenger holds a reservation; or
 - (b).omits a scheduled stop, being the passenger's place of departure, place of destination or a stopover; or

- (c).fails to operate a flight reasonably according to schedule; or
- (d).causes the passenger to miss a connection; or
- (e).substitutes a different class of service; or
- (f).is unable to provide previously confirmed space;

the validity of such passenger's ticket will be extended until CAL's first flight on which space is available in the class of service for which the fare has been paid.

- 3.2.1.2 When a passenger is prevented from traveling within the period of validity of the ticket because at the time such passenger requests reservations CAL is unable to provide space on the flight, the validity of such passenger's ticket will be extended in accordance with CAL's regulations.
- 3.2.1.3 When a passenger, after having commenced his or her journey, is prevented from traveling within the period of validity of the ticket by reason of illness, Carrier will extend, (provided such extension is not precluded by Carrier's Regulations applicable to the fare paid by the passenger) the period of validity of such passenger's ticket until the date when the passenger becomes fit the travel according to a medical certificate, or until Carrier's first flight after such date from the point where the journey is resumed on which space is available in the class of service for which the fare has been paid. When the flight coupons remaining in the ticket, or in the case of an electronic ticket, the electronic coupon, involve one or more stopover, the validity of such ticket, subject to Carrier's Regulations, will be extended for not more than three months from the date shown on such certificate. Notwithstanding the above, when the fare paid is a special fare with validity shorter than that of Normal Fare, the validity of such ticket will be extended for not more than seven days. In such circumstances, Carrier will extend similarly the period of validity of tickets of other members of the passenger's immediate family accompanying an incapacitated passenger.
- 3.2.1.4 In the event of death of a passenger en route, the tickets of the persons accompanying the passenger may be modified by waiving the minimum stay or extending the validity. In the event of a death in the immediate family of a passenger who has commenced travel, the validity of the passenger's tickets and those of his or her immediate family accompanying the passenger may be likewise modified. Any such modification shall be made upon receipt of a proper death certificate and any such extension of validity shall not be for a period longer than forty-five(45) days from the date of the death.

3.3 Flight Coupon Sequence

- 3.3.1 CAL will honour flight coupons, or in the case of an electronic ticket, an electronic coupon, only in sequence from the place of departure as shown on the ticket.
- 3.3.2 The ticket may not be valid and CAL may not honour the passenger's ticket if the first flight coupon, or in the case of an electronic ticket, an electronic coupon, for international travel has not been used and the passenger commences his or her journey at any stopover or agreed stopping place.
- 3.3.3 Each flight coupon, or in the case of an electronic ticket, an electronic coupon, will be accepted for carriage in the class of service specified therein on the date and flight for which accommodation has been reserved. When flight coupons, or in the case of an electronic ticket, an electronic coupon, are issued without a reservation being specified thereon, space will be reserved on application subject to the conditions of the relevant fare and the availability of space on the flight applied for.

3.4 Name and Address of Carrier

Carrier's name may be abbreviated in the ticket. Carrier's address shall be deemed to be the airport of departure shown opposite the first abbreviation of Carrier's name in the "Carrier" box in the ticket, or in the case of an electronic ticket, as indicated for the first flight segment in the itinerary/receipt.

Article 4 - STOPOVERS

Stopovers may be permitted at agreed stopping places subject to government requirements and Carrier's Regulations.

Article 5 - FARES and CHARGES

5.1 General

Fares apply only for carriage from the airport at the point of origin to the airport at the point of destination. Fares do not include ground transport service between airports and between airports and town terminals unless provided by Carrier without additional charge.

5.2 Applicable Fares

Applicable fares are those published by or on behalf of Carrier or, if not so published, constructed in accordance with Carrier's Regulations. Subject to government requirements and Carrier's Regulations, the applicable fare is the fare for the flight or flights in effect on the date of commencement of the carriage covered by the first flight coupon of the ticket, or in the case of an electronic ticket, as indicated for the first flight segment in the itinerary/receipt. When the amount

that has been collected is not the applicable fare the difference shall be paid by the passenger or, as the case may be, refunded by Carrier, in accordance with Carrier's Regulations.

5.3 Routing

Unless otherwise provided in Carrier's Regulations, fares apply only to routings published in connection therewith. If there is more than one routing at the same fare, the passenger may specify the routing prior to issue of the ticket. If no routing is specified, Carrier may determine the routing.

5.4 Taxes and Charges

Any tax or charge imposed by government or other authority, or by the operator of an airport, in respect of a passenger or the use by a passenger of any services or facilities will be in addition to the published fares and charges and shall be payable by the passenger, except as otherwise provided in Carrier's Regulations.

5.5 Currency

Fares and charges are payable in any currency acceptable to Carrier. When payment is made in a currency other than the currency in which the fare is published, such payment will be made at the rate of exchange established in accordance with Carrier's Regulations.

Article 6 - RESERVATIONS

6.1 Reservation Requirements

6.1.1 Reservations are not confirmed until recorded as accepted by Carrier or its Authorized Agent.

6.1.2 As provided in Carrier's Regulations, certain fares may have conditions which limit or exclude the passenger's right to change or cancel reservations.

6.2 Ticketing Time Limits

If a passenger has not paid for the ticket (or made credit arrangements with Carrier) prior to the specified ticketing time limit, Carrier may cancel the reservation.

6.3 Personal Data

The passenger recognizes that personal data has been given to Carrier for the purposes of making a reservation for carriage, obtaining ancillary services, facilitating immigration and entry requirements, and making available such data to government authorities. For these purposes the passenger authorizes Carrier to retain such data and to transmit it to its own offices, other carriers or the providers of such services, in whatever country they may be located.

6.4 Seating

Carrier does not guarantee to provide any particular seat in the aircraft and the passenger agrees to accept any seat that may be allotted on the flight in the class of service for which the ticket has been issued.

6.5 Service Charge When Space Not Occupied

A service charge, in accordance with Carrier's Regulations, may be payable by a passenger who fails to use space for which a reservation has been made.

6.6 Reconfirmation of Reservations

Onward or return reservations may be subject to the requirement to reconfirm the reservation in accordance with and within the time limits specified in Carrier's Regulations. Failure to comply with any such requirement may result in cancellation of any onward or return reservations.

6.7 Cancellation of Onward Reservations Made by Carrier

If a passenger does not use a reservation and fails to advise Carrier, Carrier may cancel or request cancellation of any onward or return reservations.

Article 7 - CHECK-IN

The passenger shall arrive at CAL's check-in location and boarding gate sufficiently in advance of flight departure to permit completion of any Government formalities and departure procedures and in any event not later than the time that may be indicated by CAL. If the passenger fails to arrive in time at CAL's check-in location or boarding gate or appears improperly documented and not ready to travel, CAL may cancel the space reserved for the passenger and will not delay the flight. CAL is not liable to the passenger for loss or expense due to the passenger's failure to comply with the provisions of this Article.

Article 8 - REFUSAL AND LIMITATION OF CARRIAGE

8.1 Right to Refuse Carriage

CAL may refuse carriage of any passenger or passenger's baggage for reasons of safety or if, in the exercise of its reasonable discretion, CAL determines that:

8.1.1 such action is necessary in order to comply with any applicable laws, regulations, or orders of any state or country to be flown from, into or over; or

8.1.2 the conduct, age, or mental or physical state of the passenger is such as to:

8.1.2.1 require special assistance of CAL, or

8.1.2.2 cause discomfort or make himself or herself objectionable to other passengers, or

8.1.2.3 involve any hazard or risk to himself or herself or to other persons or to property; or

- 8.1.3 such action is necessary because the passenger has failed to observe the instructions of CAL;
or
- 8.1.4 the passenger has refused to submit to a security check; or
- 8.1.5 the applicable fare or any charges or taxes payable have not been paid, or credit arrangements agreed between Carrier and the passenger (or the person paying for the ticket) have not been complied with; or
 - 8.1.6.1 the passenger does not appear to be properly documented; or
 - 8.1.6.2 the passenger may seek to enter a country through which he or she is in transit, or
 - 8.1.6.3 the passenger may destroy his or her documentation during flight, or
 - 8.1.6.4 the passenger will not surrender travel documents to be held by the flight crew, against receipt, when so requested by the CAL; or
- 8.1.7 the ticket presented by the passenger:
 - 8.1.7.1 has been acquired unlawfully or has been purchased from an entity other than the issuing Carrier or its authorized Agent, or
 - 8.1.7.2 has been reported as being lost or stolen, or
 - 8.1.7.3 is a counterfeit ticket, or
 - 8.1.7.4 any flight or electronic coupon has been altered by anyone other than Carrier or its authorised Agent, or in the case of a flight coupon, has been mutilated, and CAL reserves the right to retain such ticket, or
- 8.1.8 The person presenting the ticket cannot prove that he or she is the person named in the ticket. CAL reserves the right to retain such paper ticket.

8.2 Limitation on Carriage

Acceptance for carriage of unaccompanied children, incapacitated persons, pregnant women or persons with illness may be subject to prior arrangement with CAL, in accordance with CAL's Regulations.

Article 9 - BAGGAGE

9.1 Items Unacceptable as Baggage

- 9.1.1 The passenger shall not include in his or her baggage:
 - 9.1.1.1 items which do not constitute baggage as defined in Article 1 hereof;
 - 9.1.1.2 items which are likely to endanger the aircraft or persons or property on board the aircraft, such as those specified in the Dangerous Goods Regulations of the International Civil Aviation Organization (ICAO) and the International Air Transport Association (IATA), and in Carrier's Regulations (further information is available from Carrier on request);
 - 9.1.1.3 items the carriage of which is prohibited by the applicable laws, regulations or orders of any state to be flown from, to or over;
 - 9.1.1.4 items which in the opinion of CAL are unsuitable for carriage by reason of their weight, size or character, such as fragile or perishable items;
 - 9.1.1.5 live animals, except as provided for in 9.10.
- 9.1.2 Firearms and ammunition other than for hunting and sporting purposes are prohibited from carriage as baggage. Firearms and ammunition for hunting and sporting purposes may be accepted as checked baggage in accordance with CAL's Regulations. Firearms must be unloaded with the safety catch on, and suitably packed. Carriage of ammunition is subject to ICAO and IATA Dangerous Goods Regulations.
- 9.1.3 The passenger shall not include in checked baggage, fragile or perishable items, money, jewelry, precious metals, silverware, negotiable papers, securities or other valuables, business documents, passports and other identification documents or samples.
- 9.1.4 Weapons such as antique firearms, swords, knives and similar items may be accepted as checked baggage, in accordance with Carrier's Regulations, but will not be permitted in the cabin.
- 9.1.5 If any items referred to in 9.1.1 or 9.1.2 are carried, whether or not they are prohibited from carriage as baggage, the carriage thereof shall be subject to the charges, limitations of liability and other provisions of these Conditions applicable to the carriage of baggage.

9.2 Right to Refuse Carriage

- 9.2.1 CAL may refuse carriage as baggage of such items described in 9.1 as are prohibited from carriage as baggage and may refuse further carriage of any such items on discovery thereof.
- 9.2.2 CAL may refuse to carry as baggage any item because of its size, shape, weight or character.
- 9.2.3 Unless advance arrangements for its carriage have been made with CAL, CAL may carry on later flights baggage which is in excess of the applicable free allowance.
- 9.2.4 CAL may refuse to accept baggage as checked baggage unless it is properly packed in suitcases or other suitable containers to ensure safe carriage with ordinary care in handling.

9.3 Right of Search

For reasons of safety and security, CAL may request the passenger to permit a search to be made of his or her person and his or her baggage, and may search or have searched the passenger's baggage in his or her absence if the passenger is not available, for the purpose of determining whether he or she is in possession of or whether his or her baggage contains any item described in 9.1.1 or any arms or munitions which have not been presented to CAL in accordance with 9.1.2. If the passenger is unwilling to comply with such request CAL may refuse to carry the passenger or baggage.

9.4 Checked Baggage

9.4.1 Upon delivery to CAL of baggage to be checked, CAL shall take custody thereof and issue a Baggage Identification Tag for each piece of checked baggage.

9.4.2 If baggage has no name, initials or other personal identification, the passenger shall affix such identification to the baggage prior to acceptance.

9.4.3 Checked baggage will be carried on the same aircraft as the passenger unless CAL decides that this is impracticable, in which case CAL will carry the checked baggage on CAL's next flight on which space is available.

9.5 Free Baggage Allowance

Passengers may carry free of charge baggage as specified and subject to the conditions and limitation in Carrier's Regulations.

9.6 Excess Baggage

A passenger shall pay a charge for the carriage of baggage in excess of the free baggage allowance at the rate and in the manner provided in Carrier's Regulations.

9.7 Excess Value Declaration and Charge

9.7.1 A passenger may declare a value for checked baggage in excess of US\$20 per kilogram . When such declaration is made, subject to the valuation limits described in 9.7.2, a charge for such excess value will be assessed by CAL. CAL will not accept declaration of excess value in the case of unchecked baggage or other property.

9.7.2 No baggage or other property of any one passenger having a declared value in excess of US\$2,500 will be accepted for carriage by CAL, unless special arrangements have been made in advance.

9.7.3 CAL will refuse to accept an excess value declaration on checked baggage when a portion of the carriage is to be provided by another Carrier which does not offer the facility.

9.8 Unchecked Baggage

9.8.1 Baggage which the passenger carries on to the aircraft must fit under the seat in front of the passenger or in an enclosed storage compartment in the cabin. Items determined by CAL to be of excessive weight or size will not be permitted in the cabin.

9.8.2 Objects not suitable for transport in the cargo compartment (such as delicate musical instruments and the like) will only be accepted for transportation in the cabin compartment if due notice has been given in advance and permission granted by CAL. The transport of such objects may be charged for separately.

9.9 Collection and Delivery of Baggage

9.9.1 The passenger shall collect his or her baggage as soon as it is available for collection at places of destinations or stopover.

9.9.2 Only the bearer of the baggage check and identification tag, delivered to the passenger at the time the baggage was checked, is entitled to delivery of baggage. Failure to exhibit the baggage identification tag shall not prevent delivery provided the baggage check is produced and the baggage is identified by other means.

9.9.3 If a person claiming the baggage is unable to produce the baggage check and identify the baggage by means of a baggage (identification) tag, CAL will deliver the baggage to such person only on condition that he or she establishes to CAL's satisfaction his or her right thereto, and if required by CAL, such person shall furnish adequate security to indemnify CAL for any loss, damage or expense which may be incurred by CAL as a result of such delivery.

9.9.4 Acceptance of baggage by the bearer of the baggage check without complaint at the time of delivery is prima facie evidence that the baggage has been delivered in good condition and in accordance with the contract of carriage.

9.10 Animals

9.10.1 Animals such as dogs, cats, household birds and other pets, when properly crated and accompanied by valid health and vaccination certificates, entry permits, and other documents required by countries of entry or transit will, with the advance agreement of CAL, be accepted for carriage, subject to CAL's Regulations.

9.10.2 If accepted as baggage, the animal, together with its container and food carried, shall not be included in the free baggage allowance of the passenger but constitute excess baggage, for which the passenger shall pay the applicable rate.

- 9.10.3 Guide dogs accompanying sight/hearing impaired and physically handicapped passengers together with containers and food, will be carried free of charge in addition to the normal free baggage allowance, subject to CAL's Regulations.
- 9.10.4 Acceptance for carriage of animals is subject to the condition that the passenger assumes full responsibility for such animal. CAL shall not be liable for injury to or loss, delay, sickness or death of such animal in the event that it is refused entry into or passage through any country, state or territory.

Article 10 - SCHEDULES, CANCELLATION OF FLIGHTS

10.1 Schedules

CAL undertakes to use its best efforts to carry the passenger and his or her baggage with reasonable dispatch and to adhere to published schedules in effect on the date of travel.

10.2 Cancellation, Changes of Schedule, etc.

If due to circumstances beyond its control CAL cancels or delays a flight, is unable to provide previously confirmed space, fails to stop at a passenger's stopover or destination point, or causes the passenger to miss a connecting flight on which the passenger holds a reservation, CAL shall either:

- 10.2.1 carry the passenger on another of its scheduled passenger services on which space is available; or
- 10.2.2 reroute the passenger to the destination indicated on the ticket or applicable portion thereof by its own scheduled services or the scheduled services of another carrier, or by means of surface transportation. If the sum of the fare, excess baggage charge and any applicable service charge for the revised routing is higher than the refund value of the ticket or applicable portion thereof, CAL shall require no additional fare or charge from the passenger, and shall refund the difference if the fare and charges for the revised routing are lower; or
- 10.2.3 make a refund in accordance with the provisions of Article 11; and shall be under no further liability to the passenger.

10.3 Denied Boarding

- 10.3.1 Passengers who are denied boarding on a scheduled flight are entitled to compensation in complying with all laws, regulations, or orders of country where passenger was denied. In order to qualify, such passengers must be in possession of a valid ticket with a confirmed reservation for the particular flight shown on that ticket. They must also have presented themselves for check-in within the stipulated time limits and be in possession of the necessary travel documents, according to the CAL's Regulations.
- 10.3.2 Before denying boarding to any passenger, CAL or its handling agent, may call for volunteers not to board such flights. Any passenger who accepts the denied boarding compensation does so as full settlement of any and all claims against CAL.

10.4 Errors or Omissions in Timetables

Except in the case of its acts or omissions done with intent to cause damage or recklessly and with knowledge that damage would probably result, Carrier shall not be liable for errors or omissions in timetables or other published schedules, or for representations made by employees, agents or representatives of Carrier as to the dates or times of departure or arrival or as to the operation of any flight.

Article 11 - REFUNDS

11.1 General

On failure by Carrier to provide carriage in accordance with the contract of carriage, or where a passenger requests a voluntary change of his or her arrangements, refund for an unused ticket or portion thereof shall be made by Carrier in accordance with this Article and with Carrier's Regulations.

11.2 Person to Whom Refund Will Be Made

- 11.2.1 Except as hereinafter provided in this Article, Carrier shall be entitled to make refund either to the person named in the ticket, or to the person who has paid for the ticket upon presentation of satisfactory proof.
- 11.2.2 If a ticket has been paid for by a person other than the passenger named in the ticket, and Carrier has indicated on the ticket that there is a restriction on refund, Carrier shall make a refund only to the person paying for the ticket or to that person's order.
- 11.2.3 Except in the case of lost tickets, refunds will only be made on surrender to Carrier of the passenger coupon or passenger receipt and surrender of all unused flight coupons.
- 11.2.4 A refund made to anyone presenting the passenger coupon or passenger receipt and all unused flight coupons and holding himself or herself out as a person to whom refund may be made in terms of 11.2.1 or 11.2.2 shall be deemed a proper refund and shall discharge Carrier from liability and any further claim for refund.

11.3 Involuntary Refunds
